FM Broadcast Stations) RM- _____
(Brighton, Vermont))

PETITION FOR RULEMAKING

To the Chief, Allocations Branch:

1. Linda A. Davidson ("petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purposes of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated.
2. Petitioner proposes the Commission allot FM channel 270A to Brighton, Vermont as its first local service. This would require amending Section 73.202(b) of the commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Brighton, Vermont	-	270A

3. Brighton is an incorporated town located in Northern Vermont. It is located in Essex County. In 1990, the United States Census Bureau estimated Brighton had a population of 1562 persons. Brighton has it's own Municipal Building, Police Department, Fire Department, Elementary School, Senior Center, Town Garage and Water Pollution Control office. The village of Island Pond, VT is also located within the town of Brighton.

4. FM channel 270A can be assigned to Brighton in full compliance with the Commission's minimum distance separation requirements. This is illustrated in Table A below, which lists stations and assignments within 240 kilometers. Coordinates used are N 44:51:50, W 71:57:26 and are located approximately 7 km northwest of Brighton. This site restriction is necessary to prevent a short spacing with WPOR, Portland, Maine.

5. Petitioner, or an entity with which petitioner is affiliated, intends to apply for a construction permit to activate channel 270A if it is assigned to Brighton as proposed. If her application is granted, she shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this Petition for Rulemaking are hers, and are accurate to the best of her knowledge.

Respectfully submitted,

Linda A. Davidson
